Summer Camp 2017

Middler Camp @ Silver Birch Ranch
3th - 8th grade Boys and Girls

Aug. 5-11, 2017

Cost \$450.00 (includes transportation)

Middler Camp is a designed for those who have completed 3th - 8th grade. It has been a great experience and success for our students. It is focused on showing God to students in daily life. Relationships are made that last for a lifetime. Students go away encouraged and challenged.

From frogs to horses, swimming to crafts, water-tubing to climbing wall, Silver Birch Ranch offers everything students could ever want. Campers spend their days exploring the wonder of God's creation as they participate in lessons and activities, as well as spending their free time on the grounds of Silver Birch Ranch. Each evening, they learn of God's involvement in their lives, as they spend time in worship and teaching designed to show them God's desire for their lives in terms they understand. Our desire is for campers to develop a deeper relationship with God and friends.

Camp is divided into boys' and girls' programs for small groups. All students come together for Chapel meetings, large group makes and meals.

Camp Activities: *kayaking, canoeing, paddleboats, water skiing, water tubing, Buckboard Breakfast, Loggers Breakfast, fishing, climbing wall, zip line, river rafting, horseback riding, crafts, mini golf, four square and giant slip & slide!! All included in price of camp.*
